## Open Call for participation to CIPA TG5 - Cookbook

Dear colleagues,

I wish to inform you about the first steps of our Task Group:

- *19-4-2016*: Official announcement of the establishment of the TG5 to CIPA Community
- *26-4-2016*: Official announcement of the establishment of the TG5 to ISPRS Community and GEO Secretariat
- *26-4-2016*: 1<sup>st</sup> Cummunique - Open call for participation to TG5
- *23-5-2016*: Announcement and Open call for participation through the ISPRS e-Bulletin #2.
- *31-5-2016*: Establishment of CIPA TG5 Website
- *6-6-2016*: Establishment of the first core group of TG5 members
- *6-6-2016*: 2<sup>nd</sup> Cummunique - Open call for participation to CIPA TG5 - Cookbook

With this Communique, I would like to invite you to:

- Visit our new [website](#)
- Make a free Registration in order to receive all future Communications
- Decide to join our TG as regular member and help us advance our activities
- Participate at the TG5 Cookbook

In the near future we schedule to develop:

- (i) a yearly Activities Plan,
- (ii) an exclusive member area for exchange of information/data,
- (iii) a regular update of the members/friends lists,
- (iv) active links to social media,
- (v) a regional/national repository of good practices,
- (vi) a strategic priority for engaging other disciplinary societies as well as less representing regions of the world.

**General concept of the TG5 Cookbook:**

- The whole report will be about 50 pages
- One editor per chapter
- Invite also other experts to contribute
- Only digital with e-link/downloadable from the Project website
- Achieve sustainability (ie. beyond the project lifetime) through links to interested scientific communities.
